Respected Madam,

We are extremely happy and glad for your re-election as Chief Minister of West Bengal for successive 3<sup>rd</sup> times. We are confident the State of West Bengal will emerge as one of the front ranking state of our Country under your able statesmanship. Ours is only the organization at the national level for Co-operative Bank employees of the country which not only struggled for the welfare of Co-operative Bank employees but also for strengthening the Co-operative Banking sector.

We have already submitted a proposal for recapitalization of Co-operative Banks of the country out of the Income Tax collected from Co-operative Banks on Profit. A copy of the memorandum submitted once again is enclosed herewith for your kind reference. We have earlier requested you to recommend the same to Hon'ble Finance Minister, Govt. of India for appropriate action. We would once again request you to kindly look into our proposal and recommend the same to Govt. of India for favorable decision in the interest of Co-operative Banking sector of our country.

With kindest regards,

Yours faithfully,

  
(TAPAN KUMAR BOSE)
